Dear Mr. Salazar:

A hazardous waste compliance inspection was conducted at your facility on February 16, 2005. The purpose of this inspection was to determine compliance with the Washington State Dangerous Waste Regulations (Chapter 173-303 WAC). These regulations establish a system for safe and responsible management of dangerous waste.

During the inspection on February 16, 2005 there were a several areas of non-compliance with the Dangerous Waste Regulations at King County Airport. A list of the conditions not in compliance was provided to you in the Compliance Report which was mailed to you on March 22, 2005. You were required to correct these items of non-compliance, within the specified timeframes and to return the compliance certificate by April 29, 2005. As a reminder, an email was sent to you on June 9, 2005 asking for a response. As of today, your compliance certificate has not been received.

Please submit the Compliance Certificate portion of the Compliance Report (copy enclosed), along with any requested documentation, to Barbara Smith at 3190 160<sup>th</sup> Ave. SE, Bellevue, WA 98008 by **July 25, 2005** so that our records properly reflect your compliance status. Your facility is subject to reinspection and immediate enforcement action if violations listed in the Compliance Report have not been corrected.

Please be advised that failure to correct these items of non-compliance may result in the issuance of an administrative order and/or penalty as provided by the Revised Code of Washington, Sections 70.105.080 and/or .095 (Hazardous Waste Management Act). Persons who fail to comply with any provision of this chapter or rules adopted thereunder are subject to penalties of up to ten thousand dollars per day per violation.

Please do not hesitate to contact me at (425) 649-7026 or [bsmi461@ecy.wa.gov](mailto:bsmi461@ecy.wa.gov) should you have questions or require clarification of any items in the Compliance Report.
